

## **Improved Pension**

Congress establishes the maximum annual improved disability pension rates. Payments are reduced by the amount of countable income of the veteran, spouse and dependent children. When a veteran without a spouse or a child is furnished nursing home or domiciliary care by VA, the pension is reduced to an amount not to exceed \$90 per month after three calendar months of care. The reduction may be delayed if nursing-home care is being continued to provide the veteran with rehabilitation services.
